I need to concentrate
I've got a lot on my plate
Why do you have to be such a cute boy
(Cute)

I like to run, you can't catch me
And I don't dream about diamond rings
There ain't no way, no how you gonna tie this (?) down

Here you come once again
I've gotta give it to you, you play to win
I've turned your pretty face away so many times now
that I've lost count

I need to concentrate
I've got a lot on my plate
Why do you have to be such a cute boy

I've gotta forget you somehow
I've tried but you keep coming around
Why do you have to be such a cute boy

Can't look too long in your eyes
It's kind of asking, make a girl compromise
I just might do some things I shouldn't do and risk it all

Yeah I can't help, help myself
You made my logic jump up on a shelf
My heart's in opposition where it just won't listen 'cause
it wants to fall

Oh I need to concentrate
I've got a lot on my plate
Why do you have to be such a cute boy

I've gotta forget you somehow
I've tried but you keep coming around
Why do you have to be such a cute boy

Something irresistible
This condition's getting critical

'Cause you're kissable, lovable, beautiful, trouble
You know that I'm in way over my head

I need to concentrate
I've got a lot on my plate
Why do you have to be such a cute boy

I've gotta forget you somehow
I've tried but you keep coming around
Why do you have to be such a cute boy

Yeah such a cute boy
Such a cute boy
