Shopping with my girlfriends
on a sunny afternoon
Had no money left when
I found the perfect shoes
Daddy always said to call
in case of emergency
And if I didn't get those
shoes that'd be a real tragedy

Daddy could you help me,
you're my hero, you're my charm
Thank god he has a daughter
to spend his hard earned money on

A daddy's little girl,
the apple of his eye
She'll keep him in touch with
his feminine side
All guys seem to have a need to
have something to protect
That's why daddies have
little girls.... I guess

Texting all my friends to
find out what's the latest news
Catchin' up on gossip is one thing
I can't refuse
Daddy's sure to realize why
my chores aren't done
He knows the most important thing is that
I'm having fun

Daddy please forgive me,
I know you'll understand
Thank god he has a daughter to
teach him to be a patient man

A daddy's little girl,
the apple of his eye
She'll keep him in touch
with his feminine side
All guys seem to have a need to

have something to protect
That's why daddies have little girls.... I guess

A daddy's little girl, the apple of his eye
She'll keep him in touch with his feminine side
All guys seem to have a need to have something to
protect
That's why daddies have little girls....

A daddy's little girl, the apple of his eye
She'll keep him in touch with his feminine side
All guys seem to have a need to have something to
protect
That's why daddies have little girls
That's why daddies have little girls.... I guess
