Verse 1:

Your world
Is crashing down
Danger all around
and u just cant take no more
no more

your tears
they just wont end
u cant pretend
everytime u say its over
u fall back in love

With the villian
ur crying out
i can hear it
so let me rescue u from the pain
im willing yeah

Chorus:

when u need me just call
no matter how far
I'll run where u are
baby i'll be ur hero
up up and away
i will save ur day
im here to take his place
baby i'll be ur hero

Verse 2:

Gave up
cause ur out of fight
u need someone to save ur life
and free u from the heartache
the heartache

ur weak
its an emergency
u just wanna be free
but everytime u say ur finished
u fall back in love

With the villian
ur crying out
i can hear it
so let me rescue u from the pain
im willing yeah

Chorus:
when u need me just call
no matter how far
I'll run where u are
baby i'll be ur hero
up up and away
i will save ur day
im here to take his place
baby i'll be ur hero

Bridige :
Just look to the sky
im over the clouds
saorin throught the air
u know i'll be there
just give me ur hand
i'll take u away
baby u know i'll save ur day

Chorus :
when u need me just call
no matter how far
I'll run where u are
baby i'll be ur hero
up up and away
i will save ur day
im here to take his place
baby i'll be ur hero
