I cant get you out of my head
my my my head
girl I cant get you out of my head
my my my head
girl I cant get you out of

Why u keep playing tricks with my mind
theres something terribly wrong
cause I see u at the corner of my eye
I turn my head and you go (oh girl)
I cant see you
look what you do to me
I don't understand how could this be
you feel like im alone
so you just call my name
I must be going crazy

I hear you thru my speakers
everywhere I go I see ya
Just like a magazine I'll read ya
I feel you in the air I breath ya

I cant get you out of my head
my my my head
girl I cant get you out of my head
my my my head
girl I cant get you out of
yeah yeah , girl I cant get you out of my head
no , no , no ,no I cant

Somebody tell me what to do
girl its like your a ghost
hunting all the fingers to point at you
its like ur stuck in my heart
theres no escaping u , even if I tried
still cant erase u from my life
I see u in my dreams , so attatched to me
am i hlusinating

I hear you thru my speakers
everywhere I go I see ya
Just like a magazine I'll read ya

I feel you in the air I breath ya

I cant get you out of my head
my my my head
girl I cant get you out of my head
my my my head
girl I cant get you out of

I cant take you off
your controlling all my thoughts
I cant take you off
girl you stay in my head yeah
you stay in my head yeah x2

I hear you thru my speakers x3

I hear you thru my speakers
everywhere I go I see ya
Just like a magazine I'll read ya
I feel you in the air I breath ya

I cant get you out of my head
my my my head
girl I cant get you out of my head
my my my head
girl I cant get you out of
