Settle Down

Verse 1

settle down, with me
cover me up, all warm
all around, your here
dont be affraid, of the storm
i cant say, how i feel
are you there? are you there?
im okay, im okay
how you feeling? how you feeling?
we, dont need no more...
hearts in the ocean, in the ocean

Verse 2

settle down, with me
cover me up, all warm
hear me now, in the cold
breathe out, your alone
your special, or so you think
maybe we, can make it singing
umm, umm, umm

Verse 3

settle down, with me
cover me up, all warm
settle down, with me
so cover me up, all warm
settle down
settle down
settle down, yeah
down, down, down
down, down down
down, down down
