I've been, prayin'  
For the, day when  
We'd be walkin' side by side  
Love was in hiding, til heaven's timing  
Paved the way for You and I  
Now I can't believe You're mine

I've been waiting all my life  
Just to find  
Someone like You  
Love you caught me surprise  
One look and I  
Just knew  
It had to be You

I've heard love stories  
But this one is for me  
It's perfect, darlin' did you know  
Right from, the start  
You stole my heart  
And You won't ever let it go

I've been waiting all my life  
Just to find  
Someone like You  
Love you caught me surprise  
One look and I  
Just knew  
It had to be You

No one else could love me like You do  
Eternally I'm Yours, You know it's true  
Nothing in this world could ever  
Change the meaning of forever  
Me and You

I've been waiting all my life  
Just to find  
Someone like You  
Love you caught me surprise  
One look and I

Just knew  
It had to be You  
Oh, oh, it had to be You
