I used to talk about Your grace  
I knew what I was supposed to say  
But I, I didn't know a thing  
Deep down, I didn't think that I was good enough  
Some days I still think that I can earn Your love  
I'm free, but it's like I still feel the chains, oh

There You go  
There You go  
Doing what You do  
Chasing me, lovin' me  
You ain't afraid to  
Move the universe, just to prove  
Yeah, that if I was  
The only one  
Here on the planet  
You would still send Your Son  
Cause You couldn't stand it  
To see me anywhere but next You  
Ain't nothing that You won't do

You would, follow me to any place  
So why, would I ever run away  
I know, nothing can separate  
Your love, has stolen all my history  
And now, You are my new identity  
I'm Yours and that ain't never gonna change

Cause  
There You go  
There You go  
Doing what You do  
Chasing me, lovin' me  
You ain't afraid to  
Move the universe, just to prove  
Yeah, that if I was  
The only one  
Here on the planet  
You would still send Your Son  
Cause You couldn't stand it  
To see me anywhere but next You

Ain't nothing that You won't do

There's no one like You  
Nothing more true  
No one loves me like You do

There You go  
There You go  
Doing what You do  
Chasing me, lovin' me  
You ain't afraid to  
Move the universe, just to prove  
Yeah, that if I was  
The only one  
Here on the planet  
You would still send Your Son  
Cause You couldn't stand it  
To see me anywhere but next You  
Ain't nothing that You won't do

Nothing that You won't do
