I was so lost
I couldn't find my way
Thought I'd gone blind
Couldn't see You in front of me

You opened up my eyes
You gave me this free gift of life

I know You're the way
I know You're the risen one
Sent from above, to deliver us, in You we trust
I know You're the truth
I know You're the only one
You hold the key, to this mystery, no more captivity
Jesus, You're the one
You're the only one

Now I've been found
You're my biggest reality
Caught up in Your love
You hold my heart for eternity

You opened up my eyes
You gave me this free gift of life

I know You're the way
I know You're the risen one
Sent from above, to deliver us, in You we trust
I know You're the truth
I know You're the only one
You hold the key, to this mystery, no more captivity
Jesus, You're the one
You're the only one

You are the way
You are the truth
You are the life of me
You're the only one I need
[x2]

I know You're the way

I know You're the risen one
Sent from above, to deliver us, in You we trust
I know You're the truth
I know You're the only one
You hold the key, to this mystery, no more captivity
Jesus, You're the one
You're the only one
You're the only one
