Yeah Yeah, Its Mr.Darkwin AKA Mr. 1337 Haxxor yo WiFi
(yeah wassup) Let give a shoutout to some of the
hardest hitting booter righnow on HF...
Lets give a shoutout to Quantum Booter, Asylum
Booter, Sexy booter man hardest hitting booters on the
internet!!

[Chorus]

Now this the kinda crazy shit im doing Offline
these skids talking real big while they're online

Watch me charge mah lasers up and boot'em offline
they wont be able to comeback for a long time. X2

[Verse]

Got the internet on lock like my home computer
network
these kids getting scared like i just said the F-word

this broad gives so much head that there body & neck
hurts
and im hard to crack, like my bank account password

these black hoes w/ dirty socks, remind of my proxies
tweaking off the Oxy so i think ill call her Boxyy

got a couple British bitches with sum sexy features
tell her come and lick it, lick it cause my dicks in mint
condition

so delicious and nutritious when i skeet all in em
then leave em with a soapy box as if i was doing dishes

tell her since im black you know i gotta have atleast 10
inches
and then i pull out my phone just so i could take
pictures

[Chorus]

[Verse - WiFi]

Got that Perl and Oxy these kids try to dox me

Mohammed Zidan bitch, You gonna SWAT me?

Always play it safe gotta VPN no trace (uh oh)
When i got online, i check the marketplace

Like booters, booters all i see is booters
ill smack you so hard you'll need a new router

nigga is WiFi i run your internet
my nigga Cosmo got in trouble with the fucking FEDS
(fuck em')

Im making booter sales a dollar per hit
in 3 days nigga i made a grand off it

then niggas started leeching trying to get your cash
tell them to back off or they will get SMASHED!

[Chorus/Outro]

Man another shoutout to all those hitting booters
Quantum Booter, Asylum Booter, shit if you dont got
one of those then idk wtf your hitting with, you need to
get one of those they hit hard as fuck!!
