swat city fuck yo mom in tha tiddy

real trippy; something just like a hippy
big mann that nigga weigh 350 (reference to cosmo)
bullets turn you red just like a hickey
leave your moms butt sticky
talk shitty?
grab tha knife and leave you with a buck fiddy
swat team fuck up yo evening they pop up with riot
shields leave your heart beating
dont believe? try me and you'll see it!
im a genius your moms sucking my penis
she give good head nigga yup and i mean it

RAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
Swat team at door! If you talkin shit i'll send them once
more
Heavy loaded guns they'll break down your door
Shoot up ya pets and knock ya to tha floor
Yah! XBL Rockin'!
When niggas talk shit we get to doxin
assume what you want either way you'll get swatted.
Don't think we cant nigga lets get to brawlin
XBL LORD. Frying niggas modems and their
motherboards
Never get tired cause my bitch is ya door

chorus

until his door get stormed down, godzilla.

Darkwin the most hated like a swastika
act tough in my lobby? nigga its a massacre!
im a sterotype bitch im mean and im black
im a ninja mothafucka watch me sneak and attack
throw the keys in the bag or you'll bleed from your back
its gonna be a murder as soon as i reach for the mac
BARARARARA
but this aint call of duty though
these niggas talkin shit like they been lickin on booty
holes (faggots)
i guess these chef niggas like to toss salads
might as well jack their og while we're at it
made a couple calls to the swat and the medicz
sniper on the roof! he feelin asmedic.
everyone asking what happened
seems the little nigga got swatted!
