Forty-one tonnes of truckin under me  
I guess most of time, I'm where I'm supposed  
to be  
If I get out, it's only for a minute  
If you see the girl, shout, you can bet I'm in it

It's nice to chat but I tell you something  
Got my rig out back and the engine's runnin'  
I always know when it's time to go  
Gonna hitch up my load and get back on the road

I've been a teacher and a preacher, a big lifetime  
ago  
Then a broker and a lawyer, how'd I every sink that  
low?  
Then one day I woke up and gave me a slap  
Sold the car and house and bought me a Mack

It's nice to chat but I tell you something  
Got my rig out back and the engine's runnin'  
I always know when it's time to go  
Gonna hitch up my load and get back on the road

Sure there's some who'll ridicule  
But loving this life, does it make me a fool?

Once I had me the prettiest girl around  
And I'm sorry to say, I ain't with her now  
But I'll see her in an hour and I'll be polite  
Then I'm gonna see my boy Jimmy tonight

I love to chat but I tell you something  
Got my rig out back and the engine's runnin'  
I always know when it's time to go  
Gonna hitch up my load and hit the road  
Yeah I love to chat but I tell you something  
Got my rig out back and the diesel's humming  
I always know when it's time to go  
I'm gonna hitch up my load, it's time to go  
Hitch up my load and get back on the road
