(Aqui Esta mi corazon)  
Until Eternity, unconditionally

Here, alone up in my room  
Wishin' I could be alone with you  
You were my lover and my friend  
Why did it have to end?  
Is it really over? Noooooo

Cuz I can't sleep without you here (can't sleep without)  
I'm afraid I'll drown in my own tears (drown in my own tears)  
You were the shadow by my side  
Now all I do is cry  
I don't wanna live with out you  
I was a fool, and I broke your heart (I broke you heart)  
I'm going crazy  
Please listen to me lady now.....

You're all that I need  
I'm begging you please  
Don't take your love away from me  
And I'll give you my heart (I'll give you my heart)  
Until Eternity, Unconditionally

Reminicing of how it used to be (here.....)  
I can feel your body close to me (close to me, close to me)  
I know that that was yesterday, I threw it all away  
Leaving you broken hearted  
I'll give you my heart 'til the end of time (the end of time)  
And if you'll take it, I'll know that we can make it, I'll know that we can make it now...

You're all that I need  
Begging you please (Begging you please)  
Don't take your love away from me  
I'll give you my heart  
Until Eternity, Unconditionally

Darling now.....  
I'm down on my knees  
Begging you please (Begging you please)  
Don't take your love away from me (Don't take your love  
away)  
I'll give you my heart (I'll give you my heart)  
I'm down on my knees (Unconditionally)  
Begging you please (Don't go baby, I'll do it for you  
baby oh)  
You're all that I need (all that I need)  
Begging you please (begging you please)
