I'm just a rookie  
And I'm still at the starting line but it's alright  
~Cause I wasn't ready, why can't you forget it?  
I know I didn't make a point, I never felt fine with her  
anyway

~Just kiss me~

One last time, and I'll be alright  
~Cause I hate when I'm alone  
Just kiss me one last time and I'll be alright  
Just close your eyes, I'll break your heart, I'll make you  
mine,  
Before you say goodbye

Maybe this was some kind of plot and I think she  
caught me  
But I said thanks ~cause I learned my lesson and I'll  
never do it again  
So she wasn't the right one, I was feeling that I was  
used  
But there is a chance to make it right, because I know  
you want me anyway

~Just kiss me~

One last time, and I'll be alright  
~Cause I hate when I'm alone  
Just kiss me one last time, and I'll be alright  
Just close your eyes, I'll break your heart, I'll make you  
mine,  
Before you say goodbye

I know it's not right, what I did with you  
You're losing your sight, I'm sleeping so tight  
Waking up at night waiting for me to call  
I know that it's not right, you're about to fall

I'm just a rookie  
And I'm still at the starting line

~Just kiss me~

One last time, and I'll be alright  
â€~Cause I hate when I'm alone  
Just kiss me one last time, and I'll be alright  
Just close your eyes, I'll break your heart, I'll make you  
mine,

Just kiss me one last time  
Kiss me one last time  
Kiss me just one last time  
Before you say goodbye
