Who be my valentine?
Who lift this heavy load?
Who share this taxi cab?
Who wants to climb aboard?

Who is an honest man?
Who is an honest man?

Who held a dying soldier?
Fall for the other time?
Carried these men and women?
Who gets lost when the sun goes down?

Who is an honest man?
Who is an honest man?

Who walks this dusty road?
Who always lose their?
Who's this inside of me?
Who made a big mistake?
Whose is this constellation?
Seen in those spinning round
Carry these men and women?
Who gets lost when the sun goes down?

Who is an honest man?
Who is an honest man?

With a graceful motion she sat down slowly
Drank a cup of coffee and she'd fold her laundry
She begins to tell us her life story
All around the table everybody's staring

Who shouts out hallelujah
Who's gonna sing out loud?
Carry these men and women?
Who gets lost when the sun goes down?

Who's getting out of here?
Who thinks they're wide awake?
Who's gonna be my friend
All around the table, everybody's staring
