When the wind picks up can carry me home,  
'cause of a large ship stuck in the sea all alone,  
so rock me in your storm,  
'cause sleeping is hard some times.

When the rain picks up or the blue skies shine,  
there the night I watch the Northern lights,  
just to calm my heart,  
'cause breathing is hard some times.

I'm off to wherever  
Into what ever  
Off to wherever  
Into what ever

When the wind picks up can carry me home,  
'cause of a large ship stuck in the sea all alone,  
so rock me in your storm,  
'cause sleeping is hard some times.

When the rain picks up or the blue skies shine,  
there the night I watch the Northern lights,  
just to calm my heart,  
'cause breathing is hard some times.

I'm off to where ever  
Into what ever  
Off to where ever  
Into what ever
