Are you still crazy about yourself
Would you still say your doing well
Baby we all can be unkind
Well I know I'm sick I'm twisted up
But you break everything you touch
Are you still crazy about yourself

Where is it. Where is it.
I gave it to the girl.
Where is it. Where is it.
I gave it to the girl.
Where is it. Where is it.
I gave it to the girl.
She looked like she was losing touch
And needed it much more

Are you still crazy about yourself
Would you still say you're doing well
Baby we all can be unkind
I know I'm sick I'm twisted up
But you break everything you touch
Are you still crazy about yourself

You've done it. You've done it.
You've done it one more time.
You've done it. You've done it.
You've done it one more time.
You've done it. You've done it.
You've done it one more time.
You fooled her into thinking that maybe she'd
belong.

Look who walked into the DG store
Look who walked in baby you held the door
It's the palm reading psychic from down by the
shore

Are you still crazy about yourself
Would you still say you're doing well
Baby we all can be unkind
I know I'm sick I'm twisted up
But you break everything you touch

Are you still crazy about yourself

Are you still crazy about yourself
