Systematic rhythm in control
Has left me in a world without emotion in my soul
And my desire, oh, it feels like fire
Electrifyin' energy of life
Generates a power to a beat as cold as ice
And my desire, oh, it takes you higher, higher, higher
Automatic songs that fascinate
Dancin' in a trance, my mind and body activated
My desire, oh, it feels like fire, yeah
Accelerate the feeling everywhere
Electronic pleasure makes the music fill the air
And my desire, it takes you higher, higher, higher
Get ready to flex, I'll make you bounce to these
Rough raw rhymes in your mind and the galaxies
'Cause in the 9-5 season size is on a roll
Pass the remote control. So I can change it up
I gets a ten 'n' a half for mashin' the bass up
And it don't matter what they say
I'm like a pentium chip and every line carries 8K
I comes with the digital
Electric pleasure, here comes the pressure

Known to be the man on The Jams

On the Street Fighter 2

'Cause my style kicks like Kung Fu

Or you can get open

I got a fat PC with a 14.4 modem

Now here comes the pressure

My interpretation of
