Shake your body, your lovely body (x3)  
Shake your body, shake your body  
Once again we be coming right back,  
With another blast from the past and you know that  
Everybody's been stealing our style,  
But now they're in the where are they now file  
Drop the new improved Jackson groove, silky smooth  
Bust a move, I can't lose, coz I'm,  
Dressed to kill, I'm king of the hill, I got,  
More girls than, Benny Hill  
So, how ya feelin', have ya missed us,  
Even if you hate us you can't resist  
Nine nine hit the rewind,  
MJ and the five and we still got the vibe, come on  
\*Let's dance let's shout,  
Shake your body down to the ground. (x4)\*\*  
Kelly:  
Get down down down down down (x2)\*  
Sit back relax unwind, and let the good times roll  
Fill ya body and soul, with the sound of N-Trance  
Making ya dance do the limbo!  
Viva Latina (Kelly)  
Gonna make ya rock, never stop, reach the top,  
Get down with the king 'o' pop  
There's a brand new kind on the scene  
I'M A ONE MAN DANCING MACHINE  
I know what ya wanna do,  
Gonna party all night, get down wid da crew  
That's right when we do our thing,  
Let the DJ play, I wanna hear you sing  
\*~\*Repeat  
It's the sun sea sand and the rest,  
All the ladies dressed to impress  
Music pumping loud in the clubs,  
Makes the summertime feel so good  
Get down to the seventies sound with a funky lick,  
It's a Jackson tip, with a remix  
On the dancefloor through the night,  
Marlon, Tito, Jermaine, Jackie, Mike  
\*~\*\*Repeat (x2)
