All alone ayain like before  
Wandering down to the shore  
Tryin' to ease my mind I know you say I wasn't to blame  
But words always sound the same .  
They say that love is blind  
You live your life with your head in the clouds  
Just another lost soul that needs to be found  
Why do you do it?  
Please tell me why you do it ?  
A gentle hand hidden deep in a fist  
Now I'm raising my voice though I try to resist  
Why do you do it?  
Please tell me why you do it?

Softly dragging me down, down, down...

As I hold my head in my hands  
The ocean washes the sands  
Takin' away the pain  
Then I sit and try to forget  
The day two lovers first met  
Holding hands in the rain  
I feel the waves as  
They 're turning away  
As I look to the sky will I see a new day  
Why do you do it ?  
Please tell me why you do it ?  
I shout aloud but there's no-one to hear  
Am I so far away from the world that I fear  
Why do you do it?  
Please tell me why you do it?
