When I see smile i can't find the right words to tell you
Its like I'm writing to my long lost friend again I always
thought there'd be more time to hold you in my arms
and never let you go i hope you never forget the ones
you care for need you i know it all seems hopeless love
is asking to be loved sometimes i sit and think that
maybe giving up now would be much better and put my
mind at ease dont you see that even when youre gone i
pray i'll get to see you one more day i still worry about
you dont you see i know the world keeps spinning
round whenever you are feeling down hang on ill be
there
