I howl for yaâ€™™ honey,  
Hear my heart start to hammer like a hurricane  
I growl like the devil,  
Double Dewars does some damage but it numbs the  
pain

My bite is much worse than my bark  
Thereâ€™™ s danger after dark  
Let the Big Dog Run  
Yeah thereâ€™™ s no one in the park  
Letâ€™™ s do it in the dark  
Let the Big Dog Run

You love to shimmy,  
Shake and bake it, girl you shuck the shoes right off my  
feet  
I taste the sugar,  
On your skin, sweet as honeysuckle on my cheek

My bite bigger than my bark  
Thereâ€™™ s danger after dark  
Let the Big Dog Run  
Yeah thereâ€™™ s no one in the park  
Letâ€™™ s do it in the dark  
Let the Big Dog Run

I wanna run all night  
I gottaâ€™™ take a bite

Deep in the darkness,  
Down the alley, thereâ€™™ s a demon that I canâ€™™ t  
deny  
She knows my weakness  
For the women, when she whistles, Iâ€™™ m a hungry  
guy

My bite is much worse than my bark  
Thereâ€™™ s danger after dark  
Let the Big Dog Run  
Yeah thereâ€™™ s no one in the park  
Letâ€™™ s do it in the dark  
Let the Big Dog Run

I wanna€™ run all night  
I gotta take a bite  
I wanna€™ run all night  
I gotta take a bite
