Verse 1

Why can't I make you see, that I want your love,
Oh your love's got a hook in me,
It's all I'm thinking of,
Oh you got me, and I can't go without,
Oh I want you boy and there ain't no doubt,

Oh why can't I make you see,
that I want you're love,
So give your love to me.....

Verse 2

Oh Why can't I make you see, that your all I need,
You're my escape from reality,
Why don't you c'mon and set me free,
All the love you give me feels so right,
So hold me, don't be a shy boy tonight....

Oh why can't I make you see,
that I want you're love,
So give your love to me....
