Turn your lights down low

Never ever try to resist, oh no! oh no

Oh, let your love come shining in

Into our lives again,

Ooh, it's been a long, long time;

Still I wanna get this through you girl

But it seems that I was never on time;

Still I wanna get this through you, girl

That I, that I

I wanna give you some love, love, love

I wanna give you some good, good lovin'

Oh, I - oh, I - oh, I,

I want to give you some good, good lovin'

Turn your lights down low

And I pull in your window curtains;

Oh, let Jah moon come shining in

Into our lives again,

Sayin' ooh, I love you! I love you! Yeah

And I want you to know right now, ri-right now

Ooh I love you! I love you! I love you!

And I want you to know right now,

That I, That I, Hey

I want to give you some love, love, love

I wanna give you some good, good lovin';
Oh I Oh I Oh I

I want to give you some good lovin'

Oh oh oh oh I oh I oh I oh I

I want to give you some good lovin'
