What Goes Around,Come back around,that's Karma for you What Goes Around,Come back around,that's Karma for you What Goes Around,Come back around,that's Karma for you

They said I was a lazy bum, They said i was a back-stabber What You see is not what you said I'll say that until,I'm dead

You missed me when you tried to tear me down You missed me when I made my first record God blessed me,thank God,thank God he blessed me And Karma,came back around because

I was just the new guy,that came back around Karma's freeze is,What Goes Around Come Back Around-round.
