Run through the hills screaming murder  
You can't escape what you can't see  
We live in Murderous Times.

Run through their house with a-vengeance  
You know what they'll get  
Consequence was the last thing on my mind.

Cause you will pay  
With your lives  
You'll fucking die  
DIE  
You better watch out  
Cause you will pay  
Vengeance is mine  
I'm calling you out  
Yeah you will pay  
Vengeance is mine

You ran through that house with a-vengeance  
You hold no regrets  
Consequence was the last thing on my mind  
Cause you will pay  
With your lives  
You'll fucking die  
DIE  
You better watch out  
Cause you will pay  
Vengeance is mine  
Im calling you out  
Yeah you will pay  
Vengeance is mine

You Better Watch Out  
Im Calling You Out  
And Knocking You Out

In this moment  
The life slips from you  
And i cant figure out just what we both fight for  
I TEAR OUT YOUR HEART AND I THROW IT AWAY  
You learned the hard way

When your smashed into pieces and spread out all  
over the floor

MURDERER, YOU MURDERER.

You can't run and you can't hide out  
These are the murderous times  
Dont look back cause you will fall down  
These are the murderous times.

TO BE

In this moment  
The life slips from you  
And i cant figure out just what we both fight for

I TEAR OUT YOUR HEART (pause) CRUSH IT AND THROW  
IT AWAY

You learned the hard way  
When your smashed into pieces and spread out all  
over the floor
