

## Death Grips "System Blower"

Visit "[System Blower](#)" on MotoLyrics.com

yeah we came to blow your system  
you know what im sayin  
kill it or die  
braggin about how you  
had it all dialed  
well whats up now  
when your shit is

how im comin, why im slingin  
where im from and what im bringin  
tell your cousins best stop sleepin cuz im bustin for no  
reason at random murder  
killing season

but no one heard me  
cold blood creepin  
full tilt swervin  
through your bleedin  
system burnin to its knees and  
beggin for mercy while im leanin  
hard ta da left  
and clockin a gripsin da death pockets of da head  
knock rhythym

system blower system over

yeah we came to blow your system  
you know what im sayin  
kill it or die  
braggin about how you  
had it all dialed  
well whats up now  
when your shit is

stupid dopefiend beat low hung blood spray all over  
da death stomp drums  
scum worshipping  
speaker ripping  
pun2k weight holding heretics  
boundary reapin  
frequency freakin  
out till we're like that track sound so sick

system blower

got heads jumpin out their skin  
talkin 'bout comon  
death grip me again  
no need to wonder if  
its gonna crack  
hell no you can bet  
we're fit ta burn the  
house to da ground  
soon as the sound gets checked  
system blower

yeah we came to blow your system  
you know what im sayin  
kill it or die  
braggin about how you  
had it all dialed  
well whats up now  
when your shit is

yeah trick go fetch my whip  
gotta let a mark know  
who hes fuckin wit  
ruthlessly skin a chump  
just for kicks  
cant fuck wit dis  
sado-maso-kiss my fist  
suck my dick, its not cool  
im too sick, what time is it  
system blower, systems over

deep in da klink base  
cut straight to da chase  
like a triple shot of 180 proof  
kill-o-watts riots audio violence  
breaks your windows and  
takes all da loot

system blower, systems over

silver coin on your eyes  
forever closed  
raise the dead  
how long i been tired of that old  
cant nod my head

shit is over  
system blower
