One look in your eyes  
I knew we two would always be together  
And there are, 3 little words that say it all  
I love you

Never believed in love at first sight  
But I believe what I'm feeling tonight  
'Cause when I saw you across the room  
I felt my heart going boom, boom, boom

I looked, I fell so hard  
Girl I know you can tell that  
I'm hooked, oh you, oh girl  
You know I'm falling for you because

*[CHORUS:]*

One look in your eyes  
I knew we two would always be together  
And there are, 3 little words that say it all  
I love you  
Girl I realize

That I wanna be with you forever  
So say those 3 little words I wanna hear  
I love you

I was waitin' for a sign from you  
Hoping you'd feel the same way, too  
When you looked at me and smiled  
My heart was goin' a thousand miles

I stopped, turned around, I tried  
To keep my feet on the ground  
As I stepped to you, we touched  
I knew you were feelin' it too because

*[CHORUS]*

I know it's written all over my face  
And girl you can believe it's true  
'Cause time could never erase  
These feelings I have for you

*[CHORUS]*
