Ooh, ooh, ooh, oh yeah
Ooh, ooh, ooh, yes, ooh

Each time n' time and era see
And the old school jams are bumpin' in the G's
We gonna hear the li'l harmony
We party peaceful, just wanna have a good time

So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn

We're havin' a party
Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya ya

To all you ladies lookin' oh so fine
We gonna kickin' a li'l somethin'
That will have you bumpin'
So all you fellas don't you hesitate

Don't need you to wait
So grab a girl and get the party started

So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn

We're havin' a party
Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya ya

Ooh, ooh, ooh, yeah
Don't care if you're Black or Asian

Latino or Caucasian, no girl, I like

We're all apart, one big family
So if you come dance
So let me hear you say
Yeah, yeah
(Yeah, yeah)

Let me hear you say, yeah, yeah
(Yeah, yeah)
Let me hear you say, ooh yeah
(Ooh yeah)
Let me hear you say, ooh yeah
(Ooh yeah)

So everybody come on let's party
Gotta get up and get your groove on
And if it's right, we'll party all night
We gonna do this till the break of dawn

We're havin' a party
Everybody get up and dance
We gonna have a good time
We're havin' a party
Everybody get up and dance
Ya ya ya ya ya ya
