(Aqui Esta mi corazon)
Until Eternity, unconditionally
Here, alone up in my room
Wishin' I could be alone with you
You were my lover and my friend
Why did it have to end?
Is it really over? Noooooo
'cause I can't sleep without you here (can't sleep
without)
I'm afraid I'll drown in my own tears (drown in my own
tears)
You were the shadow by my side
Now all I do is cry
I don't wanna live with out you
I was a fool, and I broke your heart (I broke you heart)
I'm going crazy
Please listen to me lady now.....
You're all that I need
I'm begging you please
Don't take your love away from me
And I'll give you my heart (I'll give you my heart)
Until Eternity, Unconditionally
Reminicing of how it used to be (here.....)
I can feel your body close to me (close to me, close to
me)
I know that that was yesterday, I threw it all away
Leaving you broken hearted
I'll give you my heart 'til the end of time (the end of
time)
And if you'll take it, I'll know that we can make it, I'll
know that we can
make it now...
You're all that I need
Begging you please (Begging you please)
Don't take your love away from me
I'll give you my heart
Until Eternity, Unconditionally
Darling now.....
I'm down on my knees
Begging you please (Begging you please)
Don't take your love away from me (Don't take your love
away)

I'll give you my heart (I'll give you my heart)
I'm down on my knees (Unconditionally)
Begging you please (Don't go baby, I'll do it for you
baby oh)
You're all that I need (all that I need)
Begging you please (begging you please)
