She said turn left  
Don't turn right  
If you wanna come over tonight

For some Mmm Mmm  
A little bit of Mmm Mmm

No regrets  
Happen here  
All intentions are clear

For us tonight  
Mmm mmm mm

Come on over  
Your invited in  
Come on over  
And come right in

Bring on the grapes  
We'll make some wine  
Strawberries are fine

For some Mmm Mmm  
A little bit of Mmm Mmm

Bring on the pears  
They taste good too  
Especially with you

And whip cream on 'em  
Mmm mmm mm

Come on over  
Your invited in  
Come on over  
And come right in
