Listen, let me tell you 'bout the way I feel  
I fooled around and finally fell in love for real  
Now I'm crazy 'bout you baby  
Crazy 'bout you baby  
Crazy 'bout you baby  
And girl you know it's true

I can't seem to get you off my mind  
I sit and think about you all the time  
I'm just crazy 'bout you baby  
Crazy 'bout you baby  
Crazy 'bout you baby  
And girl you know it's true

Now we can sit out on the porch and talk  
Maybe walk around the block  
Maybe we can go to a picture show  
And I can steal a little kiss in the dark

I'm gonna love you long and hard as I can  
I intend to live to be a real old man  
Crazy 'bout you baby  
I'm just crazy 'bout you baby  
I'm crazy 'bout you baby  
Girl you know it's true

Now we can sit out on the porch and talk  
Maybe walk around the block  
Maybe we can go to a picture show  
And I can steal a little kiss in the dark

I'm gonna love you long and hard as I can  
I intend to live to be a real old man  
Crazy 'bout you baby  
Crazy 'bout you baby  
Crazy 'bout you baby  
And girl you know it's true

I said baby I'm ready  
She said babe I'm ready too  
Come on honey let me give my love to you  
I'm crazy 'bout you baby

Crazy 'bout you baby  
Crazy 'bout you baby  
And girl you know it's true
