Alexa Vega:
Come back!

Anthony Head:
Keep it down, Shi

Alexa Vega:
Come back!

Anthony Head:
It's your bedtime...
It's late

Alexa Vega:
Dad, I'm fine

Anthony Head:
It's late

Alexa Vega:
She will die!

Anthony Head:
Nonsense

Alexa Vega:
It's her eyes, Dad!

Anthony Head:
Nonsense

Alexa Vega:
It's a contract!

Anthony Head:
Contract?

Alexa Vega:
Come and see!

Anthony Head:
Nonsense

Alexa Vega:
Come see!
Mag's in trouble, Dad!

Anthony Head:
Where'd you get this?

Alexa Vega:
Read it, Dad,
Read it, Dad
A Repo Man will come and take Mag's eyes!

Anthony Head:
There are things in life that we'd do best to leave alone

Alexa Vega:
She'll die!
You must help her, Dad!

Anthony Head:
That are beyond control

Alexa Vega:
She'll die!
You must stop her, Dad!

Anthony Head:
That you don't want to know

Alexa Vega:
Please, Dad, will you save Mag!
She will lose her eyes unless you stop this Repo Man

Anthony Head:
Shilo, this is senseless

Alexa Vega:
Dad, you have to try

Anthony Head:
Shilo, this is pointless

Alexa Vega:
You can't let her die

Anthony Head:
Shilo, please shut up!
