Sarah Brightman (spoken):
Hi, Nathan.

Anthony Head (spoken):
Mag... ? How did you get in here?
Don't you have a show tonight?

Sarah Brightman (spoken):
How are you, Nathan?

Anthony Head (spoken):
Busy.

Sarah Brightman:
You never were a man of many words, Nate
You told me Shilo died

Anthony Head (spoken):
Listen

Sarah Brightman:
Nathan, I promised your late wife
I'd be present in Shilo's life

Anthony Head:
Please...
Mag, Shilo is very I'll
It's not safe for her to see people

(Spoken)
I need to give her her medication

Alexa Vega:
Dad, let her stay in here

Anthony Head:
No, she's leaving

Alexa Vega:
Please, hide her here

Anthony Head:

From what?

Alexa Vega:
She'll be dead!

Anthony Head:
Look, I told you she was sick

Sarah Brightman:
Nathan, you are hurting me

Alexa Vega:
Dad?

Anthony Head:
My daughter needs her rest

Sarah Brightman:
I'll be fine, Shilo
Don't you fret

Alexa Vega:
Repossessions are dangerous

Anthony Head:
Shilo, go to bed

Alexa Vega:
You're not safe!
Dad, she's not safe

Sarah Brightman:
Shilo, don't you fret

Anthony Head:
Shilo, go to bed!

Alexa Vega:
No

Sarah Brightman:
Nathan, what has
Become of you?
You've turned this
House into a tomb
Marni wouldn't want
This for her!

Anthony Head:
Mag, I told you that
She is sick

You've upset her
I can't have this
I'm not going to ask
Again!

Sarah Brightman:
Set her free!
Set her free!

Alexa Vega:
Mag, don't leave!
Please, don't leave!

Anthony Head:
Leave our house!
Leave my house!
