[Alexa Vega:]

Dad, be still
There is nothing you need say
It can wait

[Anthony Head:]

Shi, your mother's calling me...

[Alexa Vega:]

Sometimes I wanted to cry
When the people on TV were not quite the way we were
Somehow I guess I just knew...

But I didn't know I'd love you so much...
I didn't know I'd love you so much...
I didn't know I'd love you so much,
But I do...

[Anthony Head:]

Sometimes I'd stay up all night,
Wishing to God that I was the one who died
Sometimes there's not enough time...

But I didn't know I'd love you so much...
I didn't know I'd love you so much...
I didn't know I'd love you so much,
But I do...

[Alexa Vega:]

I didn't know I'd love you so much...

[Anthony Head:]

I didn't know I'd love you so much...

[Alexa Vega and Anthony Head:]

I didn't know I'd love you so much,
But I do...

[Anthony Head:]

Shilo, go...

[Alexa Vega:]

Dad, I will not leave you here

You will live...

[Anthony Head:]

But you've already saved me, dear...
Now go and change the world for me...

[Alexa Vega and Anthony Head:]

And we will always have each other
In our time of need...

[Anthony Head:]

Shilo, you're the world to me...

[Alexa Vega:]

Daddy, you're the world to me...
