[Chorus]

A needle into a bug...

A needle into a bug...

A needle...

Graverobber

Who..who's there?! Stay back!

[Alexa:]

Um, do you have my cure?

[Terrance:]

Kid? Is that you?

[Alexa:]

I'm here to earn my cure.

[Terrance:]

Your cure? Is that what this is about?!

Sorry, that fucking Amber

Cleaned me out.

But maybe later.

I'll hook you up later.

Just help me down.

[Alexa:]

The drug...?

[Terrance:]

Yeah, the drug.

[Alexa:]

Yeah...

[Terrance:]

Your cure, it's..

[Alexa:]

The drug!

[Terrance:]

Help me down.

[Terrance & Alexa:]  
Help me... I'll score some.

[Alexa:]  
...Shed some...

[Terrance:]  
Kid, I'm out.

[Alexa:]  
Some...

[Terrance:]  
I told you.

[Alexa:]  
Light on...

[Terrance:]  
That's the situ-

[Terrance & Alexa:]  
...The situation  
The situation..

[Chorus]  
A needle into a bug...  
A needle into a bug...  
A needle into a bug...  
A needle into a bug...

[Terrance & Alexa:]  
How 'bout her? Yeah...?  
She's right beside you?  
She's right beside me, so?  
No, I mean her zytrate. No,  
I'm out of zytrate.  
It's like a night-light.  
Oh, it's like a night-light.

[Terrance:]  
You're beautiful! It's easy.

[Alexa:]  
You don't mean...?

[Terrance:]  
Yeah.

[Alexa:]  
For me to..?

[Terrance:]  
So, easy..

[Alexa:]  
I don't think...

[Terrance:]  
Don't think.

[Alexa:]  
...That I could-

[Terrance:]  
Just smack it!

[Alexa:]  
I guess that she...

[Terrance:]  
She won't.

[Alexa:]  
...Won't feel it-

[Terrance:]  
You've got to smack it...

[Terrance and Alexa:]  
Into her skull! Inside her skull.

[Terrance and Alexa:]  
A needle into a bug!  
A needle into a bug!  
A needle into a bug!  
A needle into a bug!
