"Possibilities"

(feat. Austin Butler)

[Austin Butler:] She's got everything I want

[Alexa Vega:] He's got moves to shake you right down
to the floor

[Austin Butler:] She's the girl for me

[Alexa Vega:] He is all I see

[Both:] Oh, love believe me

All I hold is you believe me

When I swear the world is full of possibilities

Oh, family's break me

Nothing's ever gonna wake me

Longest dream and all this crazy possibilities

[Alexa Vega:] He's got rhapsody inside his body

[Austin Butler:] She's got heat to set the night on fire

[Alexa Vega:] He's driving me insane

[Austin Butler:] I wanna scream her name

[Both:] Oh, love believe me

All I hold is you believe me

When I swear the world is full of possibilities

Oh, family's break me

Nothing's ever gonna wake me

Longest dream and all this crazy possibilities

Ha!

Ha!

Away, away,

Ha!

Away, away,

Ha!

Away, away, oh!

Oh, love believe me

All I hold is you believe me

When I swear the world is full of possibilities

Oh, family's break me

Nothing's ever gonna wake me

Longest dream and all this crazy possibilities

[Austin Butler:] She's got everything I want

[Alexa Vega:] He is all I see

[Austin Butler:] She's got everything I want

[Alexa Vega:] He is all I see

[Austin Butler:] She's got everything I want

[Alexa Vega:] He is all I see...
