Thirty eight missed and its twenty past six, where are you?

Your babies are awake and they're asking me, where are you?

Don't lie to me, don't lie to me, where are you.

Don't lie to me, don't lie to me, where are you.

Let's play the game of lies and blame,
to discover who wins this time.

Let's pause our lives and break the tide,
pretend the world we live is fine.

Thirty eight missed and its twenty past six, where are you?

Your babies are awake and they're asking me, where are you?

Don't lie to me, don't lie to me, where are you.

Don't lie to me, don't lie to me, where are you.

Let's play the game of lies and blame,
to discover who wins this time.

Let's pause our lives and break the tide,
pretend the world we live is fine.

Let's play the game of lies and blame

Let's play the game of lies and blame

Let's play the game of lies and blame

Let's play the game Eliza Blane.....

Let's play the game of lies and blame

Let's play the game of lies and blame

Let's play the game of lies and blame

Let's play the game Eliza Blane.....

Don't lie to me, don't lie to me.

Don't lie to me, don't lie to me

Don't lie to me, don't lie to me

Don't lie to me, don't lie to me....again.....

Eliza Blane!
