"Fallen Leaves"

I'm sick and tired of being potential,
I want success and to be influential.
Forget the seed let's plant a tree.
Hop and skip round the fallen leaves.
Fallen Leaves, Fallen Leaves.
Fallen Leaves, Fallen Leaves.

Hang your head, think and beg.
Hit the wall with hatred and dread
You'll die a no one loved or not.
Peace will rest but forever forgot.
Fallen Leaves, Fallen Leaves.
Fallen Leaves, Fallen Leaves.

I'm sick and tired of being potential,
I want success and to be influential.
Forget the seed let's plant a tree.
Hop and skip round the fallen leaves.
Fallen Leaves, Fallen Leaves.
Fallen Leaves, Fallen Leaves.

Hang your head, think and beg.
Hit the wall with hatred and dread
You'll die a no one loved or not.
Peace will rest but forever forgot.
Fallen Leaves, Fallen Leaves.
Fallen Leaves, Fallen Leaves.
