Lie my way through life again  
Break the code 'cos I won't fit in  
Draw a line deep under my skin  
I'm a techno-phobe and I can't pretend.

Lie my way through life again  
Break the code 'cos I won't fit in  
Draw a line deep under my skin  
I'm a techno-phobe and I can't pretend.

Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.  
Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.

Lie my way through life again  
Break the code 'cos I won't fit in  
Draw a line deep under my skin  
I'm a techno-phobe and I can't pretend.  
Lie my way through life again  
Break the code 'cos I won't fit in  
Draw a line deep under my skin  
I'm a techno-phobe and I can't pretend.

Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.  
Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.

What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it again?  
What you've got can I see it AGAIN?

Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.  
Oh Its trouble when you're living in a bubble.  
Its the Ipod shuffle with the hustle and bustle.
