To all the ones who wait  
It's not too late, this is your time  
Regrets of photographs you took inside  
That kill your mind  
With all that crazy talk about what's wrong  
About what's right  
This is your only chance to get through tonight  
You are the same as I imagined  
You are the one that passes by  
And takes away my pain  
You are the same as I imagined  
This is the beauty of my dreams  
Exactly what it seems to be  
You never turn away  
You always comfort me  
We're so concerned about the way we think  
We're always stuck on stupid things  
We're never wrong, but we're never right  
It doesn't matter what we say tonight  
It's time to face it, communicate it  
And now the time has come to celebrate it  
You're finding out that this is real  
You can have it  
You can have it.  
You are the same, as I imagine,  
You are the one who passes by and takes away my  
pain.  
You are the same, as I imagine.  
This is the beauty of my dreams, exactly what it seems  
to be.  
You never turn away, you always comfort me.  
This is the beauty of my dreams, exactly what it seems  
to be.  
You never, ever turn away, you're always here to  
comfort me.  
This is your time, this is your time,  
This is your time.  
This is your time, this is your time,  
This is your time.  
You are the same, as I imagine,  
You are the one who passes by and takes away my

pain.  
You are the same, as I imagine,  
This is the beauty of my dreams, exactly what it seems  
to be.  
You never turn away, you always comfort me.
