Was it attraction or just a fraction of your time  
Was it a moment just to show that you're alive  
Could it be so bad to follow all these dreams, I have,  
And use them for your glory  
And turn around my face  
So what's that fear to fall a way

One of these days I'll find a way,  
To celebrate all my mistakes  
Falling over just to show you I'm alive  
Could it be, so bad, to follow all these dreams, I have,  
And use them for your glory  
And turn around my face  
So what's that fear to

Fall away in you is the only way to fall way

Fall asleep into your arms  
And breathe inside  
And go on and fall away

Everyone's running out of time  
So get what you've wanted all your life  
Planning for your mistakes  
Has taken you far away  
So take what's inside and make your mind  
Just to make sure your right
