It's been too long, yet I can't let go
I have no words, that can help me through
Hoy sigo presa en tu silencio
Y por más que pase el tiempo, te siento, te siento
I wanna be free,
Free so I can walk away
Ser libre y después
Confiar y despegarme esta vez

Estrillo*

We don't need to feel like this,
I can't relieve, we use to have
A thing we liked and now
You're fading away
Maybe I'm just better off alone, alone, alone
Cuan triste puede ser esta vez,
Yo me entregue, lo di todo, esta bien
Ya me canse, no volveré.
Are you men enough so you
Can handle my love song

You never call back,
I don't need that,
You never show up,
I don't need that,
You never say what you want,
I don't need that,
I'm going down
Tu/Y debes saber, que yo no volveré a caer
Ya es tarde y tu voz
Ya no se escucha en mi corazón

Estrillo*

Se cuanto valgo ese es tu error
Me merezco algo mejor,
I'm so damn easy to love,
And I want you to know

Estrillo cambiado con español*

Dime porque estamos asÃ,
Quiero vivir, sin la ilusiÃ³n
Que prometimos y nunca se cumplio
Ya no tiene caso, esto se acabo, se acabo
How lonely can your story get now
I read the book, turn the page,
Iâ´m out... Me canse, no volverÃ©
Are you men enough so you can handle my love song
