I can't undo what I have done.  
I can't unsay what I've said.  
Can't take it back, it's a little late now.  
I didn't mean to hurt you baby, in any way.

All I wanna do is walk away, 'cause I don't wanna lie to  
you.  
Something in your eyes says "Please don't go."  
But i just wanna walk away.  
'Cause if I stay I'm gonna end up hurting you.  
And I don't wanna break your heart, baby.

It doesn't matter what I'll say.  
It doesn't matter what I'll do.  
Can't make it right even though I want to.  
I'm not gonna say that we're okay, I don't wanna lie.  
I should have told you long ago, what was going on.  
I should've told you my feelings were, not that strong.

All I wanna do is walk away, 'cause I don't wanna lie to  
you.  
Something in your eyes says "Please don't go."  
But i just wanna walk away.  
'Cause if I stay I'm gonna end up hurting you.  
And I don't wanna break your heart, baby.

I lived a lie, it wasn't fair.  
I say goodbye because I, because I care.  
I wish I knew what I'm suppose to do.  
I wish that I could be there for you, to ease the pain.

All I wanna do is walk away, 'cause I don't wanna lie to  
you.  
Something in your eyes says "Please don't go."  
But i just wanna walk away.  
'Cause if I stay I'm gonna end up hurting you.  
And I don't wanna break your heart, baby.  
I don't wanna break your heart..
