BEFORE YOU DIE (accoustic)

Composer:DERA NOURISA (LAST DAY ADVENTIST)

Dirimu tak bisa dimengerti
Dirimu takkan pernah mengerti aku
Sampai kapan kau mengerti, mencoba tuk meraih inti
Takkan pernah kusesali tentang apa yang tlah kau beri

Hadirmu takkan pernah berarti
Tanpamu ku akan slalu tuk berdiri
Sampai kapan kau mengerti, mencoba tuk meraih inti
Takkan pernah kusesali tentang apa yang tlah kau beri

REFF:
Die before you die
Let me, I see while you were dying
And hope regret this day ever
Die before you die
You smiling tears I am beside you
Forget all of sweet memories

BRIDGE:
The last kiss and oath at summer
Are you remember what weâ€™ve done?
Will you always keep your promise?
And still I know
You refuse this last forever
Until this time you get the over life
And now I know itâ€™s worthless
