I am building a monster  
I am building myself  
The reason I'm stronger  
Is keeping me away from the dead

I am building a tower  
I am building my home  
To keep me from falling  
Into despair

I am keeping myself locked up  
Locked away from myself  
Life has got a brand new meaning  
And I don't know which way it goes  
(2X)

I am building a monster  
I am building myself  
The reason I'm stronger  
Is keeping me away from the dead

I am building a tower  
I am building my home  
To keep me from falling  
Into despair
