Ah... ah...

Ah...

There are times in life where nothing seems to stay
And you feel like you just wanna break away
But in the dark there is a light, there's an angel by your
side
You gotta let it go and leave the past behind

You and I, we are born to fly
'Cause the love is alive, yeah, the love is alive
We keep running into the light
'Cause the love is alive, yeah, the love is alive

Ah... yeah, the love is alive
Yeah, the love is alive
Ah... yeah, the love is alive
Yeah, the love is alive

When your hopes are done and everything seems grey
Gotta carry on and try to keep your faith
In the dark there is a light, there's an angel by your
side
You gotta let it go and leave it all behind

You and I, we are born to fly
'Cause the love is alive, yeah, the love is alive
We keep running into the light
'Cause the love is alive, yeah, the love is alive

Ah... yeah, the love is alive
Yeah, the love is alive
Ah... yeah, the love is alive
Yeah, the love is alive

(You and I) You and I... (we are born to fly)
(Cause the love is alive) Cause the love is alive
(We keep running into the light) Ooh...
Hey yeah ('cause the love is alive) Yeah, the love is
alive

Love is alive
