A man in a uniform starts screaming "Hands up  
You better not move  
You better not talk  
Cause everything you say  
Will be useless  
You are nothing to me  
So you better stand still"  
My hands are cuffed  
I can't move  
Still someone hits me in the face  
Once, twice, three times  
So I remember Peter  
Denying Jesus  
That must have hurt too

But I cannot cry  
Cause nobody will dry my tears  
I just let them pusghe me to the car  
My time has come  
And I'll have to pay, pay, pay...  
I look through the window  
I see the city lights  
For the las time...  
Light jungle  
For the last time...  
Like the song  
Goodbye blue sky  
Goodbye blue sky
