When I saw her
I knew it was time
Like a movie
All around me froze
My eyes saw nothing else
She was so beautiful
A flower in the stone garden
A rainbow after rain
I made promisses
I tried to change things
A new direction
Yes, Anything to have her by my side
She promised that would be always with me
She gave me a new reason
Yes I could see a new future to her side
Her absence was unbearable to me
She was so beautiful
A flower in the stone garden
A rainbow after rain
I could see a new path
I was hopeful again
I had almost forgotten
That happiness is real
This is a beautiful day
The pain, the cry
Turning into life
A Miracle is in my arms
Oh Lord, the tears I my eyes
I my lips a wide smile
This is a beautiful day
