Oh i wish i was blind  
Donâ€™t wanne hear again

Crazy how we can never know  
To be in love is to be broke  
To attack even with a broken heart  
You can try to run but u never get far  
I know this cause iâ€™ve been there

Ooooh i wish all the stars  
That u shine so bright u blind me from my heart

I feel like no place is safe  
Everything reminds me of you  
I wish i was blind cause the world trough my eyes  
Is too hard to look with a broken heart

Oh i wish i was blind  
Donâ€™t wanne hear again or feel

I wish that i could forget your name  
Remember u were suppose to have mine baby  
I wanne move on, looking for the perfect start  
Tear that another one will break my heart  
I know this cause iâ€™ve been there there there there

Ooooh i wish all the stars  
That u shine so bright u blind me from my heart

I feel like no place is safe  
Everything reminds me of you  
I wish i was blind cause the world trough my eyes  
Is too hard to look with a broken heart

Oh i wish i was blind  
Donâ€™t wanne hear again (or feel)

iâ€™m not ashamed to tell the world i begged u  
To consider.  
I even let u watched me cry  
Oh you took all my pride  
Still u let me go

Wish i was blind, donâ€™t wanne hear a thing

I feel like nowhere is safe  
Everything reminds me of you  
I wish i was blind cause the world trough my eyes  
Is too hard to look with a broken heart

Oh i wish i was blind  
Donâ€™t wanne hear again or feel
