We are living in your trust back to square one again
this is becoming what it was meant to For self-
exploitation for meaningless narcissism this is
becoming and encyclopedia for our ideas Suck it up
and shoot ten upload click stop type- I'll sign up to
finger fuck your wasted coke bottles now upload Turn
to the left turn to the right try to capture the pain
juxtaposition between your dark silhouette and the
stark white wall Capture the ambiguous expression the
one that forms a marriage between concept and form
You might be beautiful let's find out- Suck it down suck
it up a throat swallowing thousands to sing you softly to
sleep.
